SLK-101-8L

Slim, Rugged Keyboard Offers Eight Levels of Backlighting

iKey's SlimKey® SLK-101-8L keyboard provides full-sized versatility in a rugged, compact design. It features eight levels of green LED backlighting, and is also available in a night vision (NVIS) compatible configuration. Engineered for NEMA 4X protection from dust, water and corrosive liquids, the SLK-101-8L is ideal for use in military applications, with 8 levels of green backlighting. The large numeric pad on the SLK-101-8L allows for easy data entry, while the robust polycarbonate case stands up in the roughest of conditions. Ideal for harsh EMI environments, this rugged keyboard is designed to meet MIL-STD-461G specifications.
