Engineering Change Notice

ECN Number: ECN250102		Date of Notice:	1/2/2025
From:	iKey, Ltd.	Effective Date:	1/2/2025

Change(s)

Alteration to mounting pattern of the (4) outermost threaded inserts from the original 2.5" x 2.5" spacing to the standard VESA dimensions (75mm x 75mm). The innermost mounting pattern (AMPS: 30mm x 38mm) is not affected by this change. Additionally, a gore vent is incorporated into the bottom of the case.

Reason(s)

Mounting pattern is being updated to conform to VESA standard mounting pattern. A gore vent is included to improve performance during rapid environmental changes.
